

12.1 CLASSROOM CONDUCT POLICY

Employees shall treat students with respect and consideration. Each employee shall develop and implement classroom management policies which ensure respect for all students, employees, volunteers, parents, and Board members.

Employees are responsible to enforce school wide behavior management plan in conjunction with student discipline in their classrooms. Excessive student misbehavior shall be reported to the school administration along with documentation of the behavior. Consequences will be assigned according to the 3204 School-wide Discipline Policy.

All employees shall conduct themselves in a professional manner, whether in or out of their classrooms. Employees shall avoid behavior which gives the appearance of impropriety.
