

2.6 SEVERE WEATHER

The safety of students at Vanguard Academy is of concern to all school personnel. As such, rules and procedures to maintain safety have been established.

The school building has been examined to determine the most protected areas in the event of severe weather. Drills will be held in accordance with state guidelines to familiarize students with appropriate procedures.

Outdoor activities will be curtailed whenever the possibility of a lightning storm exists. The following guidelines will be applied by those on duty to determine the existence of a hazard:

- Rolling tumultuous clouds
- Sudden darkening of the sky
- Unusual stillness
- Lightning spotted and thunder heard in the surrounding areas

Approved: 08/15/2015

Administrative Rule:

1. In the event of poor air quality, extreme weather and/or temperatures, Administration will follow the Utah State Health Department health advisement as to which students, if any, will be allowed outside for extended periods of time.
