5.3 UNIFORM DRESS CODE POLICY

Purpose

SECTION ONE

A uniform dress code is an important part of the distinctive learning environment families find at Vanguard Academy. When students follow a dress code, they are more accepting of each other and they focus more on their school work and less on their appearance. Uniform dress codes improve the classroom learning environment, build citizenship and a sense of community, and assist students, parents and families.

Because uniform dress codes are standard attire in many academically rigorous secondary schools, the uniform signals high academic expectations to the students. Uniform dress codes improve the classroom environment and potential for student learning by:

- Helping students concentrate on their school work by setting a tone for serious study
- Decreasing distractions created by shifting fashion and socioeconomic differences
- Building self-esteem, self-respect, and school spirit among students
- Maintaining a healthy and positive school image in the community through a clean and neat appearance
- Providing a visible and public symbol of commitment to high academic standards and student achievement
- Simplifying the daily morning school routine
- Providing a safer environment by assisting administrators, faculty, staff, parents and students in instantly recognizing intruders.

Policy

In order to ensure compliance with the Vanguard Academy Uniform Dress Code Policy, parents and students should carefully review all Uniform Dress Code guidelines contained within this policy.

SECTION TWO: GENERAL GUIDELINES

Students and parents at Vanguard Academy agree to adhere to the school’s Uniform Dress Code Policy when they enroll at the school. In order to attain the desired benefits achieved through the wearing of a uniform dress code, consistent enforcement of the dress code is necessary. Enforcement of the Uniform Dress Code Policy is overseen by the Director and the school staff. A dress code infraction occurs when a student comes to school out of compliance with the Vanguard Academy Uniform Dress Code Policy. Examples of infractions include, but are not limited to: a student wearing an item that does not meet the prescribed code description.
The school strives to achieve uniform dress code compliance through use of positive reinforcement, but when the uniform dress code infractions occur students are subject to established administrative rules. Administrative rules for the uniform dress code infractions shall define a system to track uniform dress code infractions, as well as reasonable and appropriate disciplinary consequences to deter frequent and excessive uniform dress code infractions. Additionally, the rules shall include a method to effectively communicate student dress code infractions to parents throughout the process, detail the specific steps that will be taken as the number of dress code infractions escalates, and provide opportunity for the Director or his/her designee to participate in parent meetings to educate students and parents regarding how to correct and avoid dress code infractions.

Enforcement Rules:

Violations of the uniform dress code will result in parents being contacted. If the school has uniform clothing available, a parent may choose to purchase uniform from the school and have their student change into uniform. A parent may also bring uniform clothes from home to the student. A parent choosing to bring uniform clothes for a student to change into must arrive within one hour of being notified. After one hour the student will be issued uniform clothes and their account will be charged. Any unpaid account charges may prevent a student from receiving a yearbook or transcripts. If the student is unable or unwilling to be in compliance with the uniform dress code, they will be sent home for the day. Blatant disregard for the uniform will result in a meeting with the director and a discipline committee to review the consequences which may include expulsion from Vanguard. Uniform must be worn. NO EXCEPTIONS.
