

### STUDENT/PARENT ACCEPTABLE USE AGREEMENT

I have read, understand and will follow this Acceptable Use Policy posted on [vanguardcharter.org](http://vanguardcharter.org). If I break this agreement, the consequences could include suspension of computer privileges and/or disciplinary action. I also understand the school network and email accounts are owned by Vanguard Academy and that Vanguard Academy has the right to access any of the information used through the mediums provided through the school at any time.

**Parent/Guardian Acceptable Use Signature**

Parent collaboration and consent working together is a crucial focus of Vanguard Academy. Through our technology integration, we want to work with parents so they understand the different initiatives that are taking place at school, whether they are using technology or not. We encourage you to have your children guide you through their work so you will see their work as it develops.

As parents, students and teachers working together, we become a strong learning community, therefore, creating more opportunities for our students to become successful.

As the parent or guardian of this student, I have read the Vanguard Academy Acceptable Use Policy. I understand that technology is provided for educational purposes in keeping with the academic goals of Vanguard Academy, and that student use for any other purpose is inappropriate. I recognize it is impossible for the school to restrict access to all controversial materials, and I will not hold the school responsible for materials acquired on the school network. I understand that children’s computer activities at home should be supervised as they can affect the academic environment at school.

I understand and will support my student in adhering to this Acceptable Use Policy. I am aware that if my child breaches this agreement, the consequences could include suspension of computer privileges and/or disciplinary action. I also understand the school network and email accounts are owned by Vanguard Academy and that Vanguard Academy has the right to access any of the information used through the mediums provided through the school at any time. I hereby give permission for my child to use technology resources in Vanguard Academy.
